Final Results of Review

For Jiangsu, which failed to respond to the questionnaire, we have not granted a separate rate and the country-wide rate will apply to all of its sales. For Guangdong, which reported that it had no sales during the POR, its company-specific rate from the previous administrative review remains unchanged.

As a result of our review of the comments received, we have changed the results from those presented in our preliminary results of the review. Therefore, we determine that the following margins exists as a result of our review:

Manufacturer/ exporter	Time period	Margin (per- cent)
Tianjin Chemicals I/E Corp. Sinochem International Chemicals Corp	7/01/95–6/30/96	0.00
Guangdong Chemicals I/ E Corp	7/01/95–6/30/96	1.78
Country-Wide Rate	7/01/95–6/30/96	13.54

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. Individual differences between USP and NV may vary from the percentages stated above. The Department will issue appraisal instructions directly to the Customs Service.

Furthermore, the following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(1) of the Act: (1) For the reviewed companies named above which have separate rates (SICC and Tianjin), the cash deposit rates will be the rates for those firms indicated above; (2) for companies previously found to be entitled to a separate rate and for which no review was requested, the cash deposit rates will be the rate established in the most recent review of that company; (3) for all other PRC exporters

of subject merchandise from the PRC, the cash deposit rates will be the PRC country-wide rate indicated above; and (4) the cash deposit rate for non-PRC exporters of subject merchandise from the PRC will be the rate applicable to the PRC supplier of that exporter. These deposit rates, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification of Interested Parties

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and section 353.22 of the Department's regulations.
